Key Stage 1 in Dolphin Rescue

Our Key Stage 1 children had a very special visitor on Monday morning. Richard Ilderson is part of the whale and dolphin rescue society. He came in to talk to the children all about the work that his group do. The children then had a chance to rescue their very own dolphin from peril! So, now you know who to call if you find a whale or dolphin washed up on Cullercoats beach! (We must stress-no live animals were hurt during this exercise!)

IMPORTANT REMINDER FOR Y1, Y2 and Y3 PARENTS

Parents and Carers of children in Year 1, 2 and 3 should all have received the forms re. Flu Vaccination on Wednesday.

This morning, our Fun Fitness group were put through their paces by their St. Thomas More mentors.

Mrs Plummer, from the High School brought some of her pupils along to help our girls learn some aerobic dances they can teach on the yard, at playtimes.

“Live the Gospel and when necessary use words”

Red is for the blood He gave (*merciful*)

Green is for the grass He made (*generosity*)

Yellow is for His light so bright (*kindness*)

Orange is strong and full of might (*courage*)

Purple is for His hour of sorrow (*saying sorry*)

Pink is for a new tomorrow (*compassionate*)

And a handful of jelly beans,
Colourful and sweet,
Is a prayer, a promise
A loved ones treat!

Before they explode read the code!

- Light sparklers one at a time and wear gloves.
- Never give sparklers to a child under five.
- Buy fireworks marked BS 7114.
- Keep fireworks in a closed box.
- Follow the instructions on each firework.
- Light them at arm's length using a taper.
- Stand well back.
- Never go back to a lit firework.
- Never put fireworks in your pocket.
- Never throw fireworks.
- Keep pets indoors.

Welephant says,
"Read the Firework
Code and use it!"

Stay safe this bonfire night by following
Welephant's Firework Code.

Stay Safe!

As bonfire night approaches, Tyne and Wear Fire and Rescue Service would like to remind and warn local parents and young people of the dangers of fireworks.

Two students and one ex-student from the same school in the Tyne and Wear area have all sustained firework related injuries over the last few days.

Using fireworks in a public place is illegal, and carries an on the spot fine of £80.

Young people should be advised **never** to hold a lighted firework in the hand, or to throw fireworks.

The video, *Scarred for Life*, which features true stories of local children who have been badly injured by fireworks, can be viewed on the following link:
