Summer Fayre

Starts 1pm

Tomorrow

The PTA have been very busy preparing for the biggest fund raiser of our school year.

Come along and support them. There are so many exciting things to do

including, to name but a few, chocolate

tombola, bottle stalls, cakes, bouncy castles, raffles, competitions, toys and throw the sponge!

Mrs Fallon is really looking forward to that!

It has been such a busy morning. Some of our PTA members have been busy preparing for the fayre and each of our teams have been mask and maraca making and have had Samba drumming lessons ahead of this afternoon's parade.

The fun starts at 2.30pm-Come along and join us!

Our Leaver's Trip, last Friday, was a great success...in spite of the bus breaking down. They left at 8am to get to Xscape in Leeds to have a fantastic time doing lots of different activities including sledging and ten pin bowling. This was the first of a few events during the last few weeks for our Y6 children. Monday morning at 9am, they will hold their family Liturgy.

Can we please remind you that earrings are not allowed in school. If for some reason your child has to have earrings in, can you please ensure they are covered in tape before they come to school, each day. Thanks. you!

Online Safety

This week, Neil Brown from North Tyneside's CTC came and led a very worthwhile and interesting presentation about online safety for our parents. It was fantastic to see such a great turn out to support this essential aspect of parenting today. Thank you to everyone who came.

Nursery, Reception, Year 6 and First Communion Photographs

Monday, 4th July is the last chance for anyone to order group photographs (or individual First Communion pictures). If we do not receive your order by then, you will have to send it away yourself. Thank you!

High Borrans Reminder

If your child is going to High Borrans in September, there one just one payment date left before the full balance needs to be paid.

Thank you!

Message from Mrs MacDonald

Over the next few weeks we will be sending out a series of questionnaires to get your thoughts and ideas on all aspects of Religious Education and the Catholic Life of our school. We would greatly appreciate you taking a few moments to fill them in and help us shape the Catholic Life and Teaching in our school.

House of Objects North Tyneside Street Play Project

Do you remember playing out on your own street as a child?

Would you like your children to have the opportunity to play freely and safely in their own neighbourhood without the fear of traffic?

Do you want to be part of a national initiative sweeping the country which values children's right to play?

House of Objects is supporting residents across North Tyneside to get involved by closing their street to through traffic on a regular or one off basis.

Let the children play!

www.houseofobjects.org

Why get involved?

We know street play means:

- More active, happy, healthy children.
- Friendlier, safer communities (where people know their neighbours).
- Regular opportunities for the whole street to have fun together.

How do I get started?

- Register your interest with the House of Objects and get a Street Play Organisers Pack.
- Check out www.playingout.net
- Chat to a few neighbours – what do they think of the idea?
- Set a date and recruit volunteers.
- Contact the Council to apply for a temporary street closure. (the process requires 6 weeks approx.)
- Meet again with neighbours to plan your street play session.
- Put up posters and keep talking to your neighbours.
- Get outside and play!

"I got involved with Playing Out some time ago and now our street in North Tyneside is open to play once a month. My neighbours and I have found this a relatively easy task, with great benefit to ourselves, our children and our community. I would encourage any resident that is interested to have a go at Street Play"

Carol, Monkseaton resident

House of Objects is working with Play England on the Street Play Active, Healthy Communities project funded by the Department of Health. If you would like to find out more about the Street Play project visit: www.playingout.org.uk or contact streetplay@playingout.net
