# Children's Art Week

Children's Art Week is a UK-wide programme run by Engage, the National Association for Gallery Education. For 2020, Children's Art Week will take place online, at home and in schools across three weeks in June and July. Each week will focus on a special theme.

We have chosen to follow

**Week 1 (29 June):  
The Natural World**

Our children were encouraged to take this theme and use their creativity to create any art they liked to.

We have had rock sculptures, photography, landscapes, observational drawings & paintings amongst others, entered into our gallery.

We are delighted with the results. Thanks to all who contributed!

Rachel had a fantastic surprise last week. She met her new puppy, for the very first time. She can't wait to take her home in August!

Maggie picked strawberries from Grandma's garden over the weekend and made herself and Joe a strawberry sundae! What a treat!

Ava has begun to harvest her peas that she has grown from seed! She also went strawberry picking...although a few didn't quite make it into the tub! Oops!

Layla decided to give her dad a make over on a rainy day. He obviously loved it too! You both look fabulous!!

Isaac has been learning about scientific reactions this week. He made his own volcano and tried melting ice using salt. Good stuff!

Freya & Cameron's dance teacher has delivered rainbow lockdown champion rosettes to them both. This put smiles on both their faces and was a lovely gesture from Miss Jill.

We would love to see your ideas and all the Home learning and fun activities that are going on in your house. Don't forget tips for parents\*, rainbow moments, birthdays, holEY toast, achievements, acts of kindness etc etc Please send photos

## We shall be celebrating Our Home Learning Tutors

For the last fifteen weeks, many of our wonderful parents and carers have taken on the role of teacher for their child.

They have been true heroes and we want to thank them for all they've done and celebrate all their achievements!

Next Saturday 4th July we are asked to light a candle in our window and there will be a national minutes silence to remember all of those who have died as a result of Covid-19. The mark of respect will be followed by "a moment of thanks and connection" the next day, when there will be one last country-wide clap for the NHS, care staff and all key workers, after which, people are encouraged to stay out to raise a glass or have a cup of tea with their neighbours. Archbishop Justin Welby said: "This crisis has in many ways made us more grateful for each other and more indebted to the workers who put themselves at risk to keep our country running and protect the vulnerable. It has shown people at their best – volunteering, helping neighbours, protecting those at greatest risk, pulling together as communities to support one another. My sincere hope is that this weekend will serve as a powerful moment of remembrance, thanks and connection, as we come together and commit to helping to create kinder, closer more connected communities."

## Prayer for the Week

**Pope Francis**

**Prayer for protection from Coronavirus**

O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You, Salvation of the Roman People, know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us: He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen. We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas - we who are put to the test - and deliver us from every danger, O glorious and blessed Virgin.
