World Maths Day 2021

This week, we have all been busy celebrating World Maths Day.

May 5 2021 was the date of this year's World Maths Day. (It ran for 48 hours to cover all global timezones.)

On this day, millions of students across the world competed in a variety of mathematics challenges, while also participating in fun activities that highlight the wonder of numbers.

This event actually holds the world record for the most participants in an mathematics competition with 1.9 million

students taking part in a single day.

As you can see from Y3 here, there are lots of fun ways to do Maths!

Why not get busy with a pack of cards this weekend! Just pop "playing card games to improve maths skills"

into your browser to get 58,500,000 results!!

World Maths Day

FOR WORLD MATHS DAY, Y5/6 USED THEIR UNDERSTANDING OF ADDITION, SUBTRACTION AND INVERSE OPERATIONS TO INVESTIGATE WHICH PEOPLE WERE TALKING TO ONE ANOTHER ON THE TRAIN. THERE WAS SOME EXCELLENT MATHEMATICAL VOCABULARY USED TO EXPLAIN HOW THEY MADE THEIR DECISIONS!

World Maths Day

In celebration of World Maths Day, we played lots of games to have fun with number, such as Bingo and Beat the Chair!

'What time is it Mr Wolf'
with a twist. We needed to
find the numbers on the
clock in order from 1 to 12.
The first team to 12 were
the winners.

Forest School Fun In Nursery

Nursery went on a letter hunt, finding the different letter sounds that they've been learning in Phonics that were hidden around the nature garden. They also looked for signs of Spring in the garden and were great at ticking off their checklists of the things they had found!

National Daily Mile Challenge

Last Friday, was the National Daily Mile challenge. Our whole school took part in this event. Over 1780+ schools - with more than half a million children - took part in the event. In light of the events in the past year, children's mental health, and its relation to physical activity, is more important than ever. It is fantastic to think of schools across the nation, running together for better mental health awareness.

Hope you all enjoyed yourselves!

Here are some of our Reception class children in action.

Sports and Achievements

Year 3 were delighted to hear that they came second in the North Tyneside Sumdog Competition last week. They played an online Maths contest against children from across the Local Authority. They narrowly missed out on the top spot being beaten by one point!!!

Special mention to Jad, Heath and Vivienne for all coming in the top 50 students and a massive congratulations to Joshua for finishing in the Top Ten for the whole of North Tyneside.

Here is Isabelle at Whitley Bay Ice Rink, where she had just been awarded her Stage 11 and 12 badges. Great achievement, last badge! Congratulations Isabelle!

Don't Forget!

We still need you to email any birthday photos, achievement photos, good news etc that you would like to share on the blog. Due to bubbles and social distancing rules nobody in school will be able to do this job yet.

Please email to

Prayer for the Week

Pope Francis
Prayer for protection from Coronavirus

O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You, Salvation of the Roman People, know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial. Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us: He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen. We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas - we who are put to the test - and deliver us from every danger, O glorious and blessed Virgin.
