

## Geography

We will expand our knowledge and understanding beyond the local area to include a small area in Bangladesh, a contrasting non-European country.

The children will develop their

- locational knowledge
- place knowledge
- understanding of human and physical geography
- geographical skills

## YEAR 1/2 - Summer 2 Gospel Value—Community

## EXTRA-CURRICULAR ACTIVITIES

To improve your child's thinking skills could you ask them "What did you do that made you think hard?" How did you challenge yourself today?

Can the children reflect on their learning over the year? How have I grown and changed? What have I developed the most in?

## P.E.

PE takes place throughout the week; please ensure your child has named PE kits in school on the correct days.

This half term we will be on the Road to Rio and developing our skills in Athletics to see if we can create some future Olympians!

## PSHCE

We will continue to support the Year of Mercy within the Diocese and will be focusing on who is my neighbour and the plight of refugees

Our Mission Value will be Community and we will be learning about democracy and our British Values

In our SEAL lessons we will be looking at how we have changed over the year.

## Art/DT

We will be exploring some Indian art, children will produce creative work, exploring their ideas and recording their experiences They will become proficient in drawing, painting, sculpture and other art, craft and design techniques

They will evaluate and analyse creative works using the language of art, craft and design.

## Educational visits and outdoor learning

To finish our year together and to celebrate our fantastic year we are going on a beach trip organised by the PTA

## Literacy

This term we will be immersing ourselves in Dragons. The children will be writing a non chronological report on their own type of dragon as well as some instructions on how to catch one.

Through the teaching of writing, the children will learn to;

Write using the cursive style.

Include expanded noun phrases to add detail

Vary their sentence openers

Use a variety of different sentence types e.g. exclamations and questions. Using words with different suffixes. Plan and say aloud what they are going to write about. Use standard English and appropriate tenses. Throughout writing, children will be expected to proof read and check their work as well as evaluate their writing with a teacher.

## YEAR 1/2 - Summer 2 Gospel Value- Community

## Maths

This half term, all children will have the opportunity to attend a maths problem solving session before school. The aim of this session will be to build children's confidence up when faced with worded maths problems. In these sessions the children will also be able to taught to reason and explain their answers.

Children will be taught maths daily. They will be taught fluency in the fundamentals of maths, they will be taught to reason mathematically and solve problems by applying their maths to a variety of routine and non routine problems. Where possible maths work will link to Dragons. Each day we will start with revising strategies for arithmetic whereby we look at solving addition, subtraction, multiplication and division calculations.

## Spelling,

### Phonics, Grammar and Punctuation

We will be teaching the age expected spellings as well as revisiting phonic patterns and tricky words.

[https://www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/239784/English\\_Appendix\\_1\\_-\\_Spelling.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/239784/English_Appendix_1_-_Spelling.pdf)

We will be focussing on developing our spelling and handwriting to meet end of year expectations.

Across Key Stage 1 we will be continuing our daily phonics lessons. Children will work in mixed phonics groups and there will be ongoing assessment to ensure the children are accessing the relevant phonics programme.

## Science

This half term we will be learning about the plants and how they grow from both seeds and bulbs.

## Computing

We will be using Programmable toys to explore position and direction

We will be exploring coding through using Lego Wedo program

## RE

As a Catholic school we follow the Diocesan scheme of work, 'Come and See' Topics this term include

Our Multi-Faith week, looking at the prayer and home life of Islamic people

Universal Church - Treasures: we will explore God's treasure, the world and we look after it.
